MAPLEWOOD NEWS LETTER

26 - 30 OCT 2026 LEARNING TODAY. A BRIGHTER TOMORROW.

MAPLEWOOD CANADIAN INTERNATIONAL SCHOOL

SUSTAINABILITY AWARD 2025-2026

The schools honoured at the ceremony in Abu Dhabi.

THE WEEK AT MAPLEWOOD

A PROUD ACHIEVEMENT

Maplewood Canadian International School has been recognised with the School Sustainability Points Award 2025-2026 by the Emirates Environmental Friendly Society.

The week went on in the same spirit: trees planted with Mussafah Toastmasters, a Book Fair that filled the hall, and the UAE flag going up ready for Flag Day.

THE WEEK AT A GLANCE

Planting Today for a Greener Tomorrow

We were delighted to collaborate with Mussafah Toastmasters Club for a tree-planting initiative as part of AES Global Plantation Week 2026. Small actions, lasting impact.

The Book Fair

A world of stories, imagination and discovery. Our students explored the joy of reading at the Book Fair, where every book opened a new adventure.

Little Hands, Big Innovations

Our youngest innovators turned creativity into reality through hands-on learning, teamwork and robotics-inspired activities. Every little creation is a step towards a brighter future.

The UAE Flag Is Coming

A symbol of pride, unity and belonging. Our students have been getting ready to raise the flag and celebrate the spirit of the UAE.

LOOKING AHEAD

Monday 2 November
Maplewood Poets Award Ceremony, at the school.

Tuesday 3 November
UAE Flag Day.

THE WEEK IN PICTURES

Choosing the next read at the Book Fair.

With Mussafah Toastmasters Club for Global Plantation Week.

Building, testing and trying again.

Every book opens a new adventure.

FROM THE NURSERY

Our little doctors and nurses on duty.

Sorting, counting, writing and patterning.

Learning to buckle a shoe and tie a lace.

Learning is more fun when we move.
